

Alabama Power Plant Scrubber Piping

Application: Limestone Slurry

Product: 2"-36" Silver Streak® Pipe and Fittings

Features & Benefits: Silver Streak piping was selected by the customer due to its outstanding abrasion resistance and physical properties in an aggressive limestone slurry application. The piping system was pre-fabricated into spools to minimize the number of field joints. Finally, assembly was accomplished by field crews trained and certified to Fiber Glass Systems' bonder certification procedures in accordance with ASME B31.3.
